Daisy just met Joey's family! It went so well, you can tell his family adores Daisy. Did anyone else tear up when his mom said, "I would be honored to have you as my daughter-in-law"? Cause I sure did lol. #TeamDaisy @daisykent

Kelsea finished meeting Joey's family! His family definitely liked her and could see the connection between the two! I think it will be Kelsea. #TeamKelsea @kelseaanderson

Daisy had her date with Joey and vibes were off. You could tell he was acting different. It almost seemed like he was preparing Daisy to not be the one he chooses.
